Hello again Austin - San Antonio Chapter members and non-members. Well, we did it! With the help and support from the Board and the home office of AEE, we were able to host the CEM training and exam for eight applicants in Austin without doing financial damage to the Chapter coffers. I want to especially thank Karma Nilsson, our ever vigilant treasurer, and Linda Rickard for her tireless coordination efforts.

We will follow past practice when hosting the CEM and not have a meeting in August; but we will have a meeting and presentation in September, details are not firmed up as I write this editorial.

I do want you to know that I have mentioned to the Board that we need to firm up our meeting presentations faster and also ask the support of you our members to let us know of any presenters that you feel can give a good talk during one of our meetings.

Please consider becoming a Board member for next year; it is a rewarding and great networking endeavor.

I hope to see you in September along with cooler weather!

Have a great month,

Frank Richards
Austin – San Antonio AEE Chapter Interim President

BECOMING AN LED WORLD
A 8-Hour Distance Learning Seminar
Earns 0.8 CEU / 8 PDH
Presented in four 2 hour live online modules

New Program Starts October 27

presented by

The Association of Energy Engineers
The Austin / San Antonio Chapter of the Association of Energy Engineers sponsored the five day Certified Energy Manager training and exam August 11 - 15, 2014. Thank you to Austin Energy for hosting the training as well as a big Thank You to chapter board member Karma Nilsson for handling the registrations and coordination with AEE national and Linda Rickard for handling Austin logistics to make this event a success. Our Board of Directors wishes all participants the best of luck in obtaining their CEM certification!

Thanks Teacher...

Chapter Board members (From Left) Linda Rickard, Frank Richards, and Miles Abernathy treated CEM instructor Clint Christenson (Right) to dinner at Texas Land and Cattle on Wednesday August 13, 2014. Clint is well known as a great instructor to have for CEM training and preparation for exam...all students benefitted from his knowledge and instructional abilities.

See You In September...

For those of you who remember this tune from the 1960’s, it’s a unique way to say we’ll see you at our September meeting...for those who don’t; there is no August meeting, we’ll see you at our September meeting!
At our July 22, 2014 meeting which was held at Texas Land and Cattle restaurant in Austin, Frank Richards and Thomas Hagge of BEE gave a presentation on ARCx or, Advanced Retro Commissioning. Frank is best known to our group as the recent past president of the Austin-San Antonio Chapter of the Association of Energy Engineers where he served as President from 2011-2013. Thank you Frank and Thomas for an excellent presentation and your support of our chapter!
Do you know of a technology or a tour that would be of interest to our chapter membership? The board of directors welcomes your ideas and thoughts as they begin to develop the 2014 meeting calendar. Our chapter is only as good as the membership makes it...it is your chapter, please participate and provide input into the selection of presentations and tours!

Contact Program Director Adam Jalani ajilani@clearesult.com with your ideas!

### Our Mission:

- Advance the professional careers and the common purposes of its members. Facilitate networking, social exchange and training.
- Present and discuss energy, environmental topics, and members’ ideas. Stay abreast of fast changing developments. Anticipate their future.
- Disseminate information to the trade and to the general public via meetings, publications, trade shows and presentations.
- Build an exciting, expanding chapter
- Cooperate with other AEE chapters and related organizations.
- Promote energy efficiency.
- Promote renewable resources
